7 March 1969

MEMORANDUM FOR THE RECORD

Morning Meeting of 7 March 1969

DD/I reported that, contrary to yesterday's information, GIANT SCALE missions were flown on 14 and 15 February but were limited recently by weather and the standdown connected with the President's visit to Europe.

25X

Godfrey reported that the autobahn was closed this morning.

25X

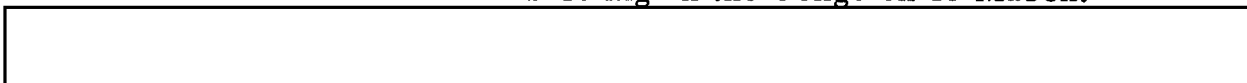

D/ONE related that no Estimates are scheduled for USIB consideration next week.

Maury reported that Congressmen Daniel Flood and Jamie Whitten will be present for the Director's testimony next week before the full Defense Subcommittee of the House Appropriations Committee.

Maury reported that OER is briefing Congressman Paul Findley this morning.

Maury noted that Congressman Riegle is planning to have a post-Vietnam trip session with George Carver.

Bross related that General Maxwell Taylor has asked for a briefing on Peru on 12 March and for a briefing on the Congo on 13 March.

25X1

Executive Director asked if there were any questions with regard to instructions issued in connection with the President's visit. There were none. He noted that the Brookings group will hopefully be out of the building by 2:15 p.m.

The Director commented that he received a telephone call at home last night from the Secretary of State extending appreciation for the memorandum on COSVN.

The Director called attention to a message from CINCPAC on the Laos situation. Following some discussion the Director asked that the DD/P see him with respect to what role COS, Saigon might play in briefing Secretary Laird on Laos.

25X

The Director noted that 15 April is the planning date for the arrival of General Cushman and that this date should be furnished in response to any inquiries, press or otherwise.

25X

L. K. White

*Extracted and sent to action officer
